

LUNCH & LEARN

Join Heatcraft Refrigeration Products for a hands-on session to stay ahead of refrigerant changes.

WHAT YOU'LL LEARN:

- Install now, transition later — dual systems run on A1 today, convert to A2L tomorrow.
 - Easy RDS install — see how quick the kit goes in.
 - Hands-on demo — work with an RDS kit and converted evaporator.
- Future-proof your business — stay compliant and add value for your customers.

LUNCH IS PROVIDED — KNOWLEDGE IS FREE.
